OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, an inmate, filed this lawsuit contending that he was force-medicated while a pre-trial detainee at the Montgomery County Detention Facility "on or around October 2008." This lawsuit is now before the court on the recommendation and supplemental recommendation of the United States Magistrate Judge that plaintiff's case be dismissed pursuant to 28 U.S.C. § 1915(e)(2)(B)(i), because plaintiff failed to file this action within the time prescribed by the applicable statute of limitations. Also before the

court are plaintiff's objections to the recommendations. After an independent and de novo review of the record, the court concludes that plaintiff's objections should be overruled and the magistrate judge's recommendations adopted.

An appropriate judgment will be entered.

DONE, this the 31st day of January, 2018.
